Rosen Classroom, United States, 2015. Paperback. Book Condition: New. 210 x 210 mm. Language: English . Brand New Book. Real-life situations and relatable narratives guide math students through the fundamentals of algebra, which is an essential part of second-grade math. Readers will learn the skills needed to fluently add and subtract, while also building a foundation for the more complex skills that will be needed at higher levels of education. Engaging visuals complement high-interest topics, while visually appealing designs help to make the math concrete. Readers will follow Hanna as she visits a club fair at school and determines if there is an odd or even number of people in each club. This volume meets CCSS Math Standard 2.OA.C.3.
